The committee discussed this policy addition:

The meet the candidates' dates that the board of directors assigned for this year. Moving forward as in the past the Election Committee should be the ones to designate the dates for these meet the candidates. The meet the candidates should not be on the same weekend and they should never be on a Sunday as the business office is closed. We believe that this should be written in the policy.

Action: Grace Wolleman to send Ellen McClellan the word document and she will attempt to write up these additions to be sent to the rest of the committee for approval before sending to the board of directors.
