JUKE BOX FRIDAY NIGHT REVIEW (8/25): 5:00 -9:00pm. Not well attended. Some people were upset about the music during dinner. Music will start later next month. Per Mandi, we may have this event on Friday or Saturday in the Pool Pavilion for kids only.

SENIOR GAME DAY REVIEW (8120): Not well attended. Will time to get the word out.

COMMUNITY APPRECIATION DAY REVIEW (7129):

Round Table Town Hall 10:00qm: Well attended. Very interesting discussions (snow bunny situation).

Suggestions: 1) S Curves: Place bumps or grooves in the road on either side of the yellow lines. 2) Place signs on Mil Potrero before Yellowstone for safety. 3) Change the color of the car window stickers each year.

BBQ 1:00 —3:00pm: 500 people attended (125 the first 20 minutes). Good food and great music by "Steve Woods". This event should not have been advertised in the "Enterprise". Suggestions: 1) Require member ID. 2) Place cold food on ice. Some people were asking how long the potato salad was out in the sun. People were thanking us for putting on this event (very appreciative).

Bounce House 1:00 — 7:00pm :• Kids had a great time.

Concert on the Greens "City Beat" 4:30—7:00pm: Great band.

Entertainment in the Condor Room "The Hollywood Hillbillies" 11:00pm: Loud! Decimal monitors may not have been used.

COUNTRY HOEDOWN "Jimi Nelson Band" (9/3): 4:30 -7:00pm
